- Carmel's Beloved Photographer
- Award Winning Artists

How the Name Your Price Extravaganza Works:

1. Over a glass of wine, you can make an offer on a particular piece of artwork. This must be an offer that you are willing to do.
2. We either accept it or not. (Perhaps depending on how much wine we've had!)
3. If your offer is not accepted, you can make another offer... there is no limit.
